SHAHIDA BIBI

Web developer | Wordpress Developer

My name is **Shahida Bibi**, a passionate and dedicated BS Software Engineering student from Jhang. I have completed professional training in WordPress, C++, and full-stack web development including HTML, CSS, JavaScript, PHP, MySQL, Bootstrap, and jQuery. I enjoy turning ideas into functional websites and continuously work on improving my skills. My goal is to become an independent, confident developer and contribute effectively to the world of technology.
